

CARE & CLEANING INSTRUCTIONS

Our extensive line of Sunbrella®, Outdura® and Para® Fabrics

100% Solution-Dyed Acrylic Fabrics: Grade AAAA, AAA, AA and A

MOST STAINS ON SOLUTION-DYED ACRYLIC FABRICS CAN BE CLEANED UP WITH A MILD SOAP AND WATER SOLUTION. Solution-Dyed Acrylic fabric should be cleaned regularly before substances such as dirt, etc., are allowed to accumulate on and become embedded in the fabric. The fabric can be cleaned without being removed from the piece. Simply brush off any loose dirt, etc., clean with warm water (no more than 100°F) and a mild natural soap. Rinse thoroughly to remove soap. When using liquid detergent, it may be necessary to re-apply a water repellent treatment, such as 303 Hi Tech Fabric Guard. Solution-Dyed Acrylic is made from 100% acrylic fiber and is heat sensitive. When washing or cleaning, **DO NOT SUBJECT TO EXCESSIVE HEAT** as the fabric will shrink. **DO NOT STEAM PRESS OR DRY IN ELECTRIC OR GAS DRYERS.** Allow fabric to air dry.

In case Solution-Dyed Acrylic fabric is stored during the winter season, it should be cleaned, allowed to air dry and stored in a dry, well ventilated area. For stubborn stains, please see the acrylic stain cleaning chart for more specific cleaning instructions.

ACRYLIC STAIN CLEANING CHART

STAINS	RECOMMENDED CLEANING SOLUTIONS	STAINS	RECOMMENDED CLEANING SOLUTIONS
BEER	• liquid detergent, white vinegar	MILDEW	• 1/2 cup of bleach and 1/4 cup natural soap per gallon of water
BERRY	• liquid detergent/ammonia (3-6% water)	MILK	• liquid detergent
BLOOD (dried)	• detergent/ammonia (3-6% water)	NAIL POLISH	• volatile solvent (acetone)
BUTTER	• volatile solvent (acetone)	OIL	• volatile solvent (acetone)
CHARCOAL, PENCIL MARKS	• vacuum, then liquid detergent	ORANGE DRINK	• liquid detergent, water
CATSUP OR MUSTARD	• liquid detergent	PAINT (latex) WET	• liquid detergent, water

MASCARA	• paint remover, volatile solvent (acetone), detergent	WINE	• liquid detergent/ammonia (3-6% water), white vinegar

Our Exclusive O’bravia™ 4800 Series

100% Solution-Dyed Polyester Fabrics: Grade B & C

MOST STAINS ON SOLUTION-DYED POLYESTER FABRICS CAN BE CLEANED UP WITH A MILD SOAP AND WATER SOLUTION. 100% Solution-Dyed Polyester fabric should be cleaned as needed before substances such as dirt, stains, etc., are allowed to accumulate on and become embedded in the fabric. The fabric can be cleaned without being removed from the piece. Simply brush off any loose dirt, clean with warm water (no more than 100°F) and a mild natural soap. Rinse thoroughly to remove soap. When using liquid detergent, it may be necessary to re-apply a water repellent treatment, such as 303 Hi Tech Fabric Guard or a similar product. 100% Solution-Dyed Polyester is heat sensitive. When washing or cleaning, **DO NOT SUBJECT TO EXCESSIVE HEAT** as the fabric will shrink. **DO NOT STEAM PRESS OR DRY IN ELECTRIC OR GAS DRYERS.**

Allow fabric to air dry. In case Solution-Dyed Polyester fabric is stored during the winter season, it should be cleaned, allowed to air dry and stored in a dry, well ventilated area.

Warranty: Limited warranty - 4 years against fading

Our Exclusive Solefin™ 2400, 3400 & 3500 Series

100% Solution-Dyed Soft Olefin Fabrics: Grade D

To keep Solefin fabric looking fresh and new it should be washed periodically with detergent and water. Most spills can and should be mopped up immediately after they occur. If, however, a spot or stain remains, clean with a solution of warm water and a mild detergent then rinse thoroughly. If necessary, apply laundry prewash, leave in for 10 minutes, then reapply warm water and detergent. For stubborn stains and mildew, chlorine bleach can be used without affecting fabric color. After cleaning, always rinse thoroughly with water and allow to air dry. The fabric will dry quickly because it is a naturally water repellent material.

Warranty: Limited warranty - 2 1/2 years against fading.

Spun Polyester Styles: SP222 & SP228

Common dirt can be removed with a solution of two capfuls of mild liquid detergent per gallon of water. Be liberal with solution and scrub briskly with a soft brush. Rinse with clean water and air dry.

Warranty: Limited warranty - 3 months against fading.
