Est. 1971

## Payment by Check

Taking payment by check is a common way for fraud to happen. Please make sure you do not see any suspicious signs that could include:

- ✓ Customer claims to be having a party and needs to take it all the product with them same day.
- ✓ Customer cannot present an ID with the same name and address as on the check

**Regular Checks:** Customers who pay by regular check can receive delivery or pick up of product after the check is received by Leader's Casual Furniture®.

*Regular checks are checks that have a customer's name and address pre-printed in the top left-hand corner:*

**Starter Checks:** Leader's Casual Furniture® does accept starter checks as a form of payment for product; however we will require a valid driver's license

*These are checks that do not have the customer's name and address pre-printed in the top left-hand corner and has a low check number in the right hand corner:*

**Traveler's Checks:** Customers who pay by Traveler's check may receive delivery or pick up of product after the check is received by Leader's Casual Furniture®.

*These are checks that are for a fixed amount that can be cashed or used in payment after endorsement with the holder's signature:*
