

Tahiti Collection Care and Maintenance

The Tahiti Collection is a beautiful handcrafted blend of materials: aluminum, fiberglass, resin, powder coat, hand applied faux finishing, and on some items cushions. Trying to pick a product to keep all of the materials looking great can be confusing. Leader's Casual Furniture® recommends a single product for all but the cushions, Turtle Wax Ice Spray Wax. This great product can be sprayed on all surfaces and easily wiped with a dry clean cloth to protect your investment. Turtle Wax Ice Spray Wax can be found at any automotive store and most Walmart and Target locations.

Frame Recommended Care and Maintenance Intervals

Exposure	Frequency
Full sun, marine or pool side	Clean and protect once per month
Full sun no marine or pool exposure	Clean and protect once every three months
Under cover partial sun	Clean as needed, protect at least twice a year
Under cover no sun	Clean as needed, protect at least once a year

Wicker and Frame Cleaning instructions

1. Rinse the collection with a garden hose. If there is heavier soiling use warm soapy water (dish soap or laundry soap) with a soft bristle brush and thoroughly rinse.
2. Allow to completely dry. To speed this process you can use soft clean towels
3. Once the product is full dry spray Turtle Wax Ice one surface of the product at time and thoroughly wipe off the excess with a dry clean towel

Cushion and Fabric Cleaning Instructions

There are many different type of fabrics all can be safely cleaned with warm soapy water. Some ultra durable fabrics can be cleaned with bleach. Contact your sales professional for specific cleaning instructions for the fabric you have.
