Consumer 15-Year Warranty

When used in a residential setting, we warranty our frames for fifteen years. The warranty is valid from the date of purchase and applies only to the original purchaser. Proof of purchase is required. If your Tropitone frame fails structurally during normal usage, or if the finish peels, cracks or blisters within fifteen years, we will repair, refinish or replace the frame at manufacturer's discretion (with same or similar product if discontinued) at no charge. Parts and labor are included. Tropitone will pay freight costs for the first year in the Continental U.S. In addition, the Five, Three and One year warranties below apply.

For 5 Years

We warranty our vinyl straps and lacing against breakage for five years from the date of purchase. This applies only to breakage, not color changes. In the unlikely event that a strap breaks or pulls loose, Tropitone will supply a replacement strap at no charge. (Labor not included.)

For 3 Years

We warranty our vinyl straps against discoloration for three years from the date of purchase. In the unlikely event that a strap is grossly discolored, Tropitone will supply a replacement strap at no charge. (Labor not included.) Strap replacement due to discoloration is at vinyl supplier's discretion. Solid surface table tops used in residential areas are warranted against manufacturer's defect for three years. Tropitone will pay residential freight costs for the first year in the Continental U.S. If the Stoneworks or solid surface top fails structurally during normal usage or if the finish peels, cracks or blisters within three years from date of purchase, we will repair, refinish or replace the top. Woven seat buckets used in residential areas are warranted against manufacturer's defect for 3 years. Tropitone will pay commercial freight costs for the first year. (Labor is included for the first year.)

For 1 Year

We warranty the fabrics on our cushions, umbrellas and slings for one year against tearing, discoloration or fading. We warranty the following for one year from the date of purchase: Woven seat buckets used in commercial areas against manufacturer's defects, finish on coiled steel spring rocker mechanisms, cushion fills, acrylic table tops against bowing and warping, teak components, glides, hardware, wheels, connectors, table rims, metal umbrellas and umbrella bases. Solid surface table tops used in commercial areas are warranted against manufacturer's defect for one year. Teak used in residential settings is warranted against structural failure during normal usage for one year.

- Normal fading of fabrics or upholstery materials
- Normal fading of woven seat materials

- Steel Swivel Mechanisms (Commercial)
- Bursting or cracking of tubing due to exposure to water and freezing temperatures
- Changes in wood color due to the natural aging of the wood or staining

- Seaside use—Due to the demands of salt air, Tropitone recommends weekly or biweekly periodic cleaning of buildup and potential oxidation.
