

### 5-Year Frame

---

Wood frames, legs, and frame springs are warranted to be free of component defects or manufacturing defects, including loose components, split or separated rails, and noise for a period of 5 years.

This coverage is void if frame has been exposed to improper humidity levels, excessive heat, or temperature extremes. This furniture is not intended for outdoor use.

### 2-Year Seating & Mattress

---

The foam material used in our seat cushions and seat backs is warranted against loss of resiliency, loss or shifting of filling material, or other manufacturing defects for a period of 2 years. Please note some softening will occur through normal use and is not considered loss of resiliency or a defect. We recommend turning cushions regularly to improve longevity.

Foam and spring mattresses are also guaranteed against loss of resiliency. Please note that mattresses folded inside mechanisms will become creased at the fold lines. This is normal and not considered a manufacturing defect. Air mattresses and pumps are warranted for 3 years.

### 1-Year Mechanism

---

All standard mechanisms used in our sleepers and recliners are guaranteed to be free of manufacturing defects for a period of 1 years. Note: standard sleeper mechanisms are not warranted for commercial applications. Commercial sleeper mechanisms are available and come with a 3 year warranty.

### 1-Year Fabric Seams

---

Fabric seams are warranted to be free of manufacturing defects for a period of 1 year. However, the many grades and qualities of upholstery fabrics and soil resistant compounds applied to fabrics prevent us from offering a fabric warranty, either expressed or implied. Fabrics are not warranted against fading or pilling. Please consult your retailer for proper cleaning instructions for your fabric.

### How to Obtain Service

---

Warranty claim should be made through the retailer where the furniture was originally purchased. Please only contact Brick City Furniture customer service directly if the original dealer is not accessible. All costs incurred in transporting this product for warranty service are the obligation of the purchaser. Brick City Furniture, LLC reserves the right to inspect this product before accepting liability for warranty service. Proof of purchase date is required for all claims. For additional questions contact your retailer or Brick City Furniture, LLC at:

Tel: 352-237-1286 or

Email: [customerservice@brickcityfurniture.com](mailto:customerservice@brickcityfurniture.com).

### Limitations of Warranty & Damages

---

There are no warranties beyond those described in this warranty card. Brick City Furniture, LLC is not liable under any circumstances for any damages consequential or otherwise. Brick City Furniture, LLC's responsibility is limited to the repair and replacement warranty described herein.
