

Corrosion Block Marine Protectant

Corrosion Block® was a product developed specifically for the marine and aviation industry. When used as part of your regular furniture maintenance program it will ensure you get the maximum life out of your outdoor furniture. Leader's Furniture™ is an authorized Corrosion Block® dealer. See your local store or our website to order.

NOTE: Corrosion Block® works fantastic on stainless appliances, outdoor kitchens and maintain your boats electrical and bright work.

Application is easy:

1. Spray Corrosion Block® onto a rag and wipe the surface. Do not spray Corrosion Block directly onto the surface from the can. Over application will make your furniture feel wet and slippery.

Recommended Protection Schedule

Exposure	Frequency
Undercover on our near the beach	Clean and Protect once per month
Full sun, marine or pool side	Clean and protect once every three months
Full sun no marine or pool exposure	Clean and protect once every three months
