

# LUXURIOUS TEXTILES DESIGNED TO PROTECT WHAT MATTERS MOST.

**Now more than ever, most of us are spending more time at home and are aware of the importance of disinfecting our surfaces. Have peace of mind in your space with Bella-Dura HOME.**

Suitable for indoors or out – protect yourself, your loved ones, and your environment with a textile that is bleach cleanable.

Bella-Dura HOME fabrics are very easy to clean. Under normal circumstances a mild soap solution will generally do the trick, but bleach can be used for a more thorough disinfecting.

Follow these easy steps to keep your Bella-Dura HOME textiles looking luxurious.

## EASY CLEANING METHOD

Lightly brush off any excess debris  
Soak fabric with mild cleaning solution  
Blot (don't rub) with a clean, dry cloth  
Rinse thoroughly with clean water
